There is limited seating, so be sure to [click this link to RSVP!](#)

**PICTURE DAY** is around the corner! Get your best smile ready for picture day on Tuesday, August 27<sup>th</sup>. Please [click this link](#) for more information, and to pre-order your students' pictures.

Keep this important information in mind when dropping off & picking up students:

**\*\*Please do NOT drop students off in bus lane!\*\***

**\*\*Please do not park your car in the drop-off lane!\*\***

These two issues effect the flow of traffic and cause our buses to run behind schedule. Our most important job is keeping our students' safe, so please help us with these matters. You can get ticketed for not abiding by these rules, so please ask if you need clarification on where to drop-off or park.

Enjoy bike riding? You should consider joining Bell's Mountain Bike Club! Join us for a Parent Information Meeting on August 29<sup>th</sup> at 2:20pm.

Twice a year, we send out information in regards to head lice. Please note that we do not have any cases of lice at this time. This is just an informational message about head lice and how to treat for it. Please see this attachment for [Head Lice FAQ](#).

Have a wonderful weekend!
