

# Friday Blast 10/12/18

**Office Hours** – Thank you for participating in our first night of Office Hours. Since this is a new approach to *parent/teacher* conferences, we would like your feedback. Please take **2-3 minutes** to take this [SURVEY](#), even if you **did not attend**, to help us improve in the future. (*If you are unable to access the survey, please try opening it in Google Chrome*). Thank you in advance, as we greatly value your feedback!

**Cold Weather** – Winter seems to have made an early appearance this year! Students WILL be going outside at lunchtime unless the temperature dips below 20 degrees. That is true, even if it is snowing or raining lightly. *Please make sure your students are prepared for the weather!*

· Mornings – If the temperature is below 20 degrees in the mornings (before school), **then we will hang a BLUE FLAG on the railing out front**, indicating that students are allowed to wait inside the lobby for school to start.

We are excited to introduce a new student recognition program called **Bobcats of the Week!** Teachers and staff members will nominate 2 students weekly from each grade. Students will be nominated based on consistent or exceptional R.O.A.R. (Respectful, Optimistic, Accountable, Responsible) behavior. The following students have been chosen for this week:

## GRADE 6

Addyson Rhodes for being Responsible

Aubrey Sugg for being Optimistic

## GRADE 7

Hayden Sauer for being Responsible

Oziel (Martin) Zaragoza for being Accountable

## GRADE 8

Adrian Blazejczyk for being Respectful

Torin Chevalier for being Respectful

**CONGRATULATIONS Bobcats! Keep up the good work!**

We have an unbelievable amount of lost and found items that have not been claimed. If your student has lost anything, please have them (or you!) check the tables in the main entrance hallway.

**FYI** – Just a reminder, you can go into your Jeffco Connect account and choose how you receive information from Bell. You can choose to receive phone calls, texts, emails, or all three. Just go to “Edit User Information” and check the boxes with your preferences.
