Thank you so much to all of our community angels who donated items for our Giving Tree. Thanks to your generosity, we collected items for more than 100 Bell students. None of it would have been possible without those of you who chose to share your time and money to help those less fortunate. We are so grateful to be a part of such a caring community!

FRIDAY BLAST 12/20/19

From the Counselors:
Tis the season for self-help! There are a ton of free Mental Health Apps out there and we wanted to share some of our favorites:
Mind Shift is one of the best mental health apps designed specifically for teens and young adults with anxiety. Rather than trying to avoid anxious feelings, Mind Shift stresses the importance of changing how you think about anxiety. Think of this app as the cheerleader in your pocket, encouraging you to take charge of your life, ride out intense emotions, and face challenging situations.
SAM might be perfect for you if you're interested in self-help, but meditation isn't your thing. Users are prompted to build their own 24-hour anxiety toolkit that allows you to track anxious thoughts and behavior over time, and learn 25 different self-help techniques. You can also use SAM's "Social Cloud" feature to confidentially connect with other users in an online community for additional support.

Interested in traveling and experiencing new places? Join a group of Bell Middle School peers and teachers on an adventure through Europe, during the summer of 2021, to grow as a global citizen and push the boundaries on your world view. To fully appreciate Central Europe, you have to experience both its storied past and its natural beauty. Berlin, Prague and Munich reveal centuries of history, from the medieval cobblestone squares to the remains of the Berlin Wall. In the Swiss Alps, history takes on a profound new meaning—these geological wonders are billions of years in the making. Want to learn more?? Come to Mrs. Martinez's informational meeting on 1/15 at 6pm in room #317 at BMS - but, first and for more information, please RSVP via the following link: https://rsvp.eftours.com/vytt6eu.
