FRIDAY BLAST, 12/7/18

Hello Bobcats! Here is what's happening this week at Bell:

SURVEY REMINDER:
The district currently has two open surveys that we ask for you to take a moment to fill out. Your feedback is very important for the purpose of ongoing improvement!

SCHOOL START TIME SURVEY:
Jeffco Public Schools has assembled a task force to look at the impact of changing school start times across the district. They would love to hear your thoughts on the matter as they research the effects on student learning and health and research other school districts that have explored or made this change. All feedback will be reviewed by the task force. This survey closes on Monday, December 10th.
