Golden Schools Foundation Teacher Awards
Every year, the Golden Schools Foundation (http://goldenschoolsfoundation.org/) awards two Golden-area teachers with a Teacher Recognition Award (click here for past winners). They receive $1,000 to spend in their classrooms, and a beautiful crystal apple to recognize them for their amazing contributions to our schools. Golden Schools Foundation is currently accepting nominations from parents, students, principals or other staff members. Nominations are due April 7.

Please note that Bell teacher, Jayson Haberkorn, has already won this award and is not eligible to be nominated for this award again. We thank him for his incredible and creative dedication to teaching.
