

Friday Blast, March 15th

Term Final grades for 6th grade wheel classes will be posted by 4:00pm on Monday the 18th. Semester midterm grades for the first 9 weeks will also be posted in Infinite Campus. Use this link:

https://www.jeffcopublicschools.org/family_portal, click on the green Infinite Campus icon, and log in with your Jeffco Connect account to view. If you have any questions or concerns please email hal.templeton@jeffco.k12.co.us for Campus support.

This is your last chance to register for Screenagers! The screening is at Bell on Monday, 3/18/19 at 6pm. If you haven't yet, please register to reserve your spot. Remember, students are FREE and parents are only \$5. Concessions will be sold during the screening. Click here to register and for more information:

LOST AND FOUND: Are you missing a winter coat, sweatshirt, lunch box, or water bottle? Our Lost and Found is OVERFLOWING. If you are missing an item, please have your student look through the lost and found bin, or feel free to come in and take a look. **All items will be donated before Spring Break.**

Student Drop-off and Pick-up Procedures

- Our students' and staff's safety is of the utmost importance at Bell. Following the parking lot expectations leads to a more efficient process, and it helps everyone stay safe. **These are the simple, but vital expectations** (please share these with any friend or family member who might help with carpooling):
 1. Please **PULL all the way FORWARD** until you are directly behind another car along the drop-off sidewalk. This may mean you're dropping your student off on the west side of the parking lot, even if your child enters through the main or east entrances.
 2. Please **do NOT STOP in the painted crosswalks** to drop your student off.
 3. Please **form ONLY TWO LANES**. The right lane (adjacent to the sidewalk) is used for stopping and dropping students off; the left lane is as a drive-through.
 4. **ALWAYS** have students **exit the car from the right lane and AT the curb**. Do NOT let your child out of your car from the left lane. That is *dangerous*.
 5. **Students should ALWAYS exit out of the PASSENGER SIDE door** – with so much traffic, students exiting the backseat from the driver's side is dangerous as cars are driving by the left lane to exit the parking lot.

Friday Blast, March 15th

We have hundreds of cars going through our parking lot daily for drop-off and pick-up. Please pack extra patience, be a positive role model for your teenagers, and be kind to the people helping to keep the parking lot safe and efficient. Thank you.

CMAS 2019

As you are probably aware, the state required CMAS testing window is approaching. Please **save these dates** to ensure as many students as possible are here for testing sessions. While we will hold make-up sessions, students tend to do better when they test with their peers. Participating in make-up sessions also pulls students out of the classroom during instructional times. It is also important that students arrive on time. Students who arrive after a session starts cannot go into their classroom until after the testing session is complete. Thank you for helping ensure every student can do his or her best!

CMAS Test Schedules:

Testing Schedule - 6th Grade

- April 2, 3, 4 (all day)

Testing Schedule - 7th & 8th Grade

- April 9, 10, 11 (all day)

Testing Schedule - 8th Grade Science

- April 16 (all day)

Cell Phones & CMAS

Cell phones **may not** be in any testing session during the above testing dates.

Students are encouraged to:

- Leave their phones at home
- Store their phones in the locker all day
- Leave their phones in the front office

If a student is found with their phone in a testing location, disciplinary actions will be taken.

No Contact Day for 6th & 7th Grade Students

On Tuesday, April 16th we have scheduled a flex day for our 8th grade students to complete the 2019 Science CMAS test. Only 8th grade students will be attending school on this day. Please make note of this important day on your calendars.

Argentina Trip Update: 7th graders who are interested in the 8th grade summer trip to Argentina (June 2020) have an opportunity to sign up by April 2nd and receive a \$100 discount off of the tour fee. Please contact Lori Ranney lori.ranney@jeffco.k12.co.us for more information. You can also visit the tour website at explorica.com/ranney-6094 for more information.

Friday Blast, March 15th

Students, you're invited to join us for the new **Rubik's Cube Club!** We will meet on Tuesday, March 19th from 2:15pm - 3pm in room G27 with Officer Hall and Mr. Haberkorn. We'll be teaching ways to solve the cube and discuss competition and games in the future. **NO EXPERTISE NECESSARY!!** Please bring your own cube!

BOBCATS OF THE WEEK CONGRATULATIONS! Keep up the good work!

GRADE 6:

Matai Ilaoa for being Optimistic
